

➤ Who is Topaz International?

Everybody who works at Topaz believes that our only job is to make those who purchase corporate travel better at what they do. We are passionate about that. We want to find ways to make the corporate travel program better and more efficient. As part of that goal, we give a lot of stuff away on our website, our leadership team talks to a lot of people about their programs, and of course, we provide what we feel are real value-added services to your travel program.

There are some values that are very important to us. We hope that by sharing them here, you can learn a little more about whom we are and what we are all about:

- **TRUSTWORTHY**
- **INDEPENDENT**
- **CUSTOMER FOCUSED**
- **HONEST**
- **EXPERIENCED**

Hopefully, you will want to talk to us further about how we can help you. You might want to create a *Topaz File* that is handy at your desk or on your desktop, or even sign up for our weekly email. You may want to browse our blogs, friend us on Facebook, follow us on Twitter, and explore our website; and, in the end we hope you remember us like this:

- **TOPAZ INTERNATIONAL:** Your performance measurement and process improvement company dedicated to making corporate travel buyers all over the world better.
